TPA Recorder Concert Friday, April 1, 2011

Each year our seventh and eighth grade students provide an evening of music and fun with their recorder concerts. Parents and friends of course will want to attend. This year the concert will be at Ed Options High School. **Cast call is 5:30** for both grades. This performance is **required** of all seventh and eighth grade students. **Punctuality** affects the grade for the event. **Concert attire** is required and also affects the grade for the event. Failure to attend and participate seriously affects the student's grade for the course.

Parent Monitors
We need a minimum of one parent monitor for each class section to help keep the students focused on their tasks. Parent monitors take roll, encourage students to do their best, and note behavior infractions on printed forms.

Please note on the form below if you will be available. Also include your email address and phone number.

We plan for a faculty monitor to be present for each of the two grades.
