Ensemble (CBO) indicates audition for regional **Choir, Band, and Orchestra**. Students who audition for regional ensembles usually will have two places to be. For example, the choir audition requires both a solo performance and sight-reading (sometimes called musicianship). These two tests take place in two different rooms.

S&E indicates a performance at the Solo and Ensemble Festival before a judge for a rating.

Audition time is given in military time for sorting purposes. The conventional time is listed as well for those who have trouble reading military time.
